CHAPTER 1

The Kids Perspective

Once upon a time there
was a lovely family
climbing rocks.

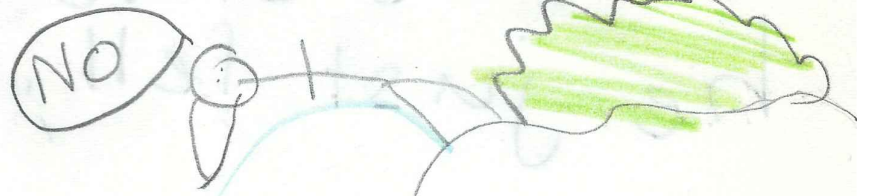

The children got tired
and found a water fall.

One of the children
Started drinking from
the water fall.

After she finished
drinking she almost fell in

Then her brother
tried to save her but
he just fell in too.

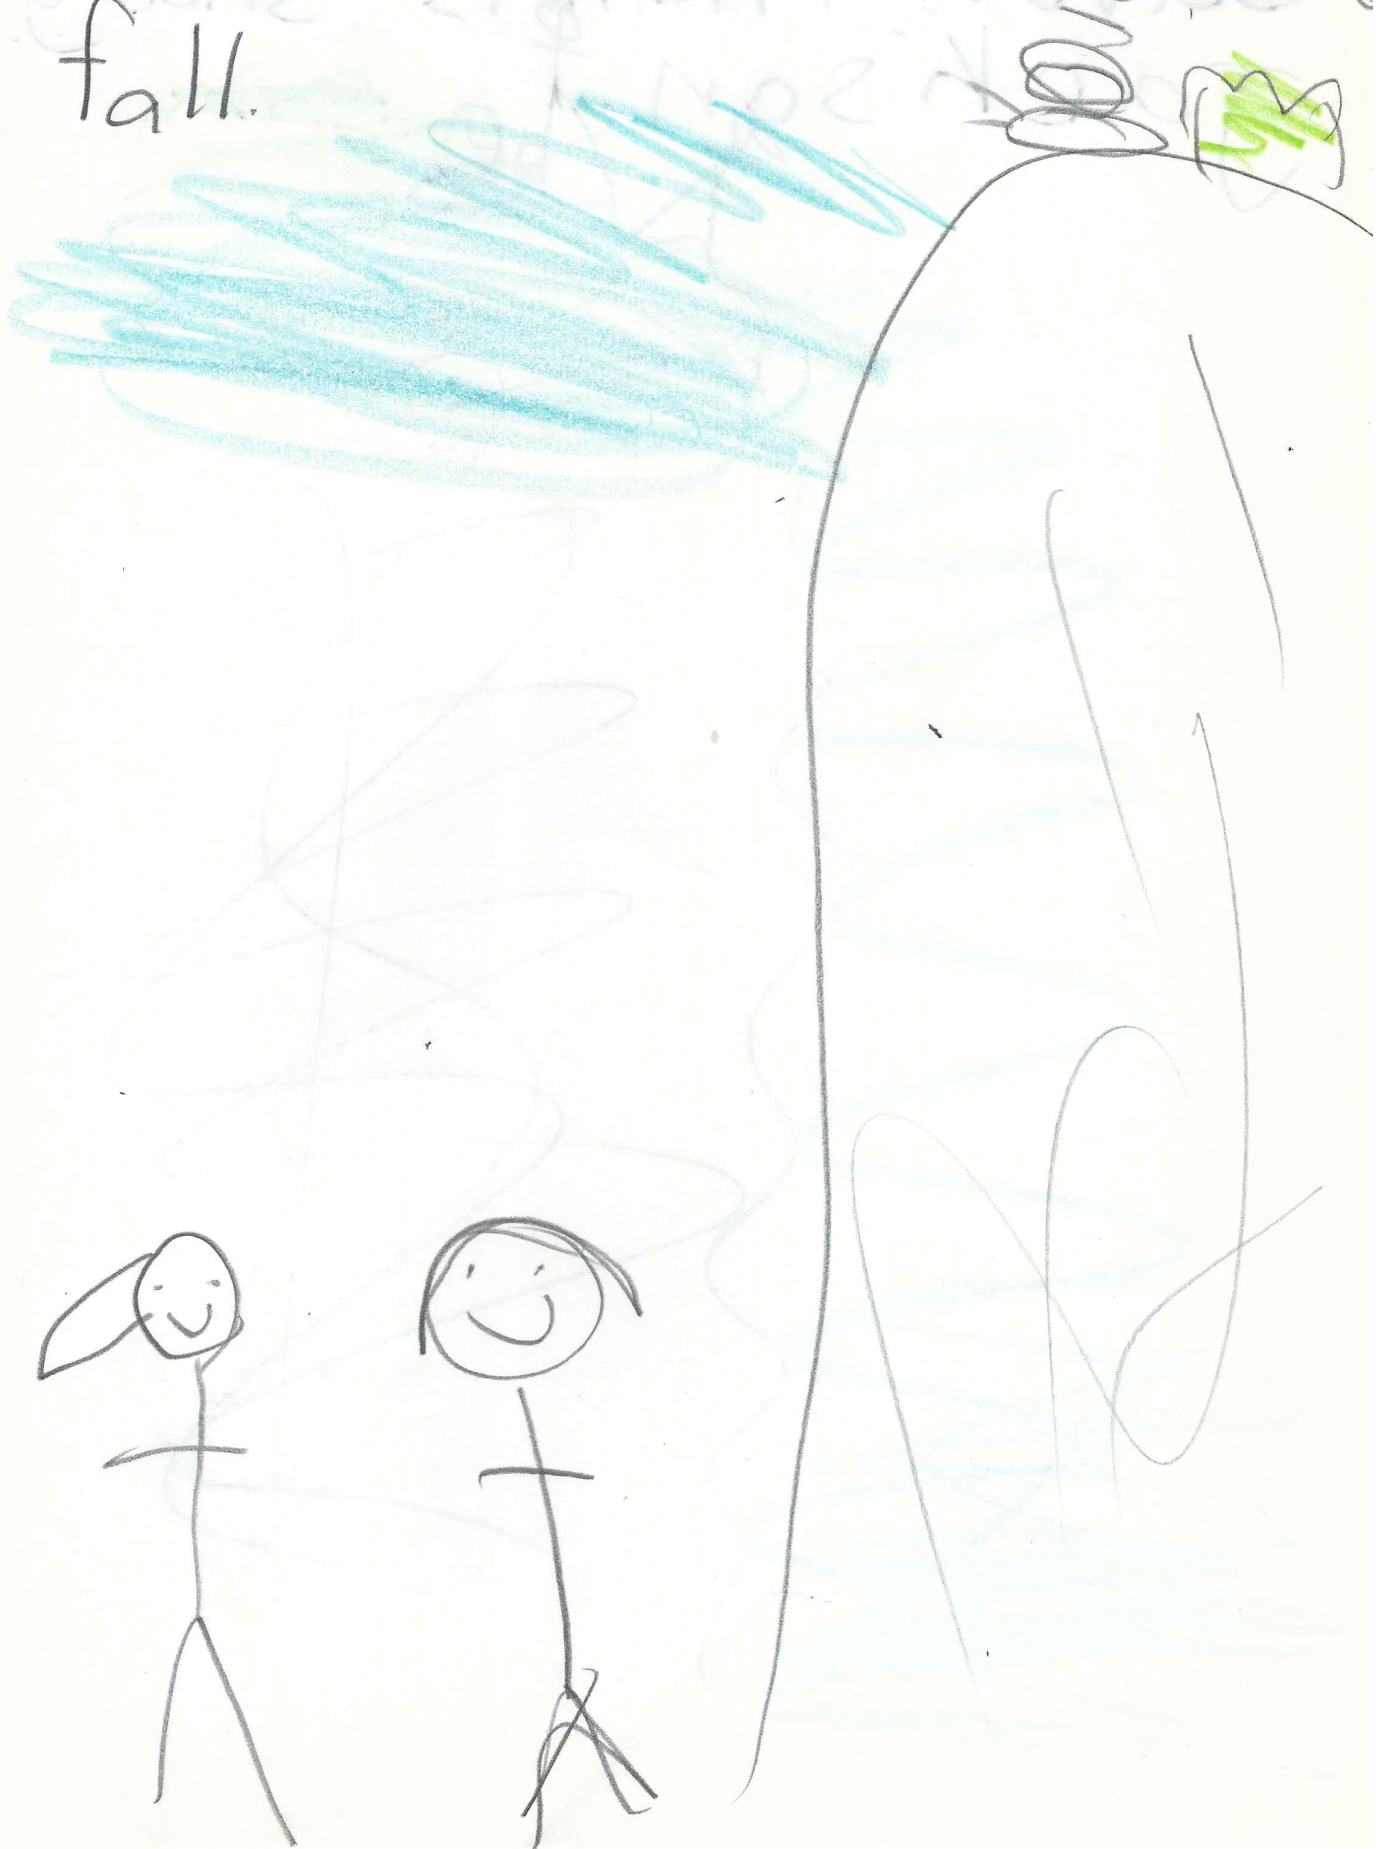

Then out of the bush
Came a snail.

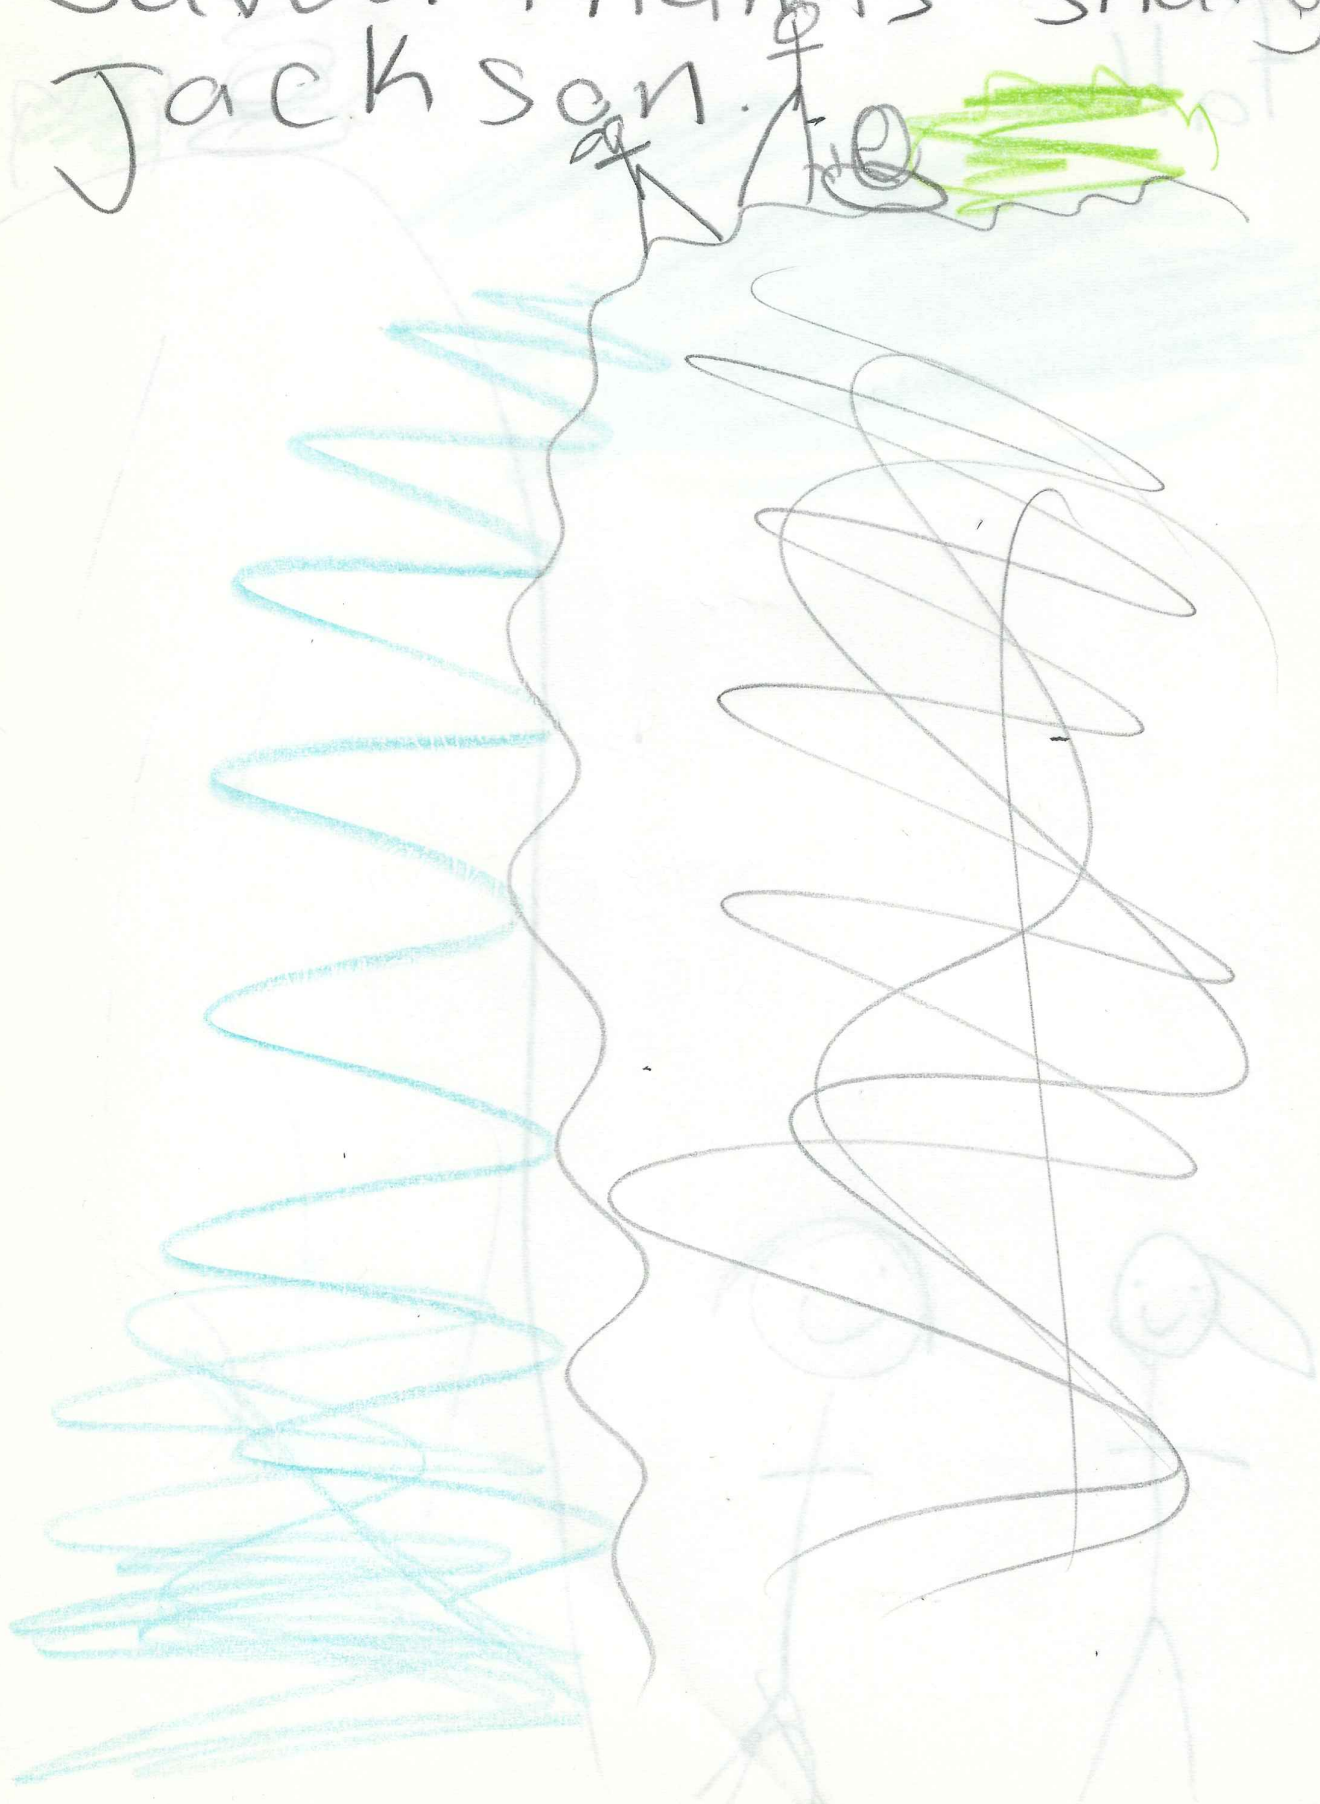

He was dancing.
He was dancing so fast
he made a hurricane.

Then he took all the
water out of the water
fall.

The kids were
Saved "Thanks snailly
Jackson."

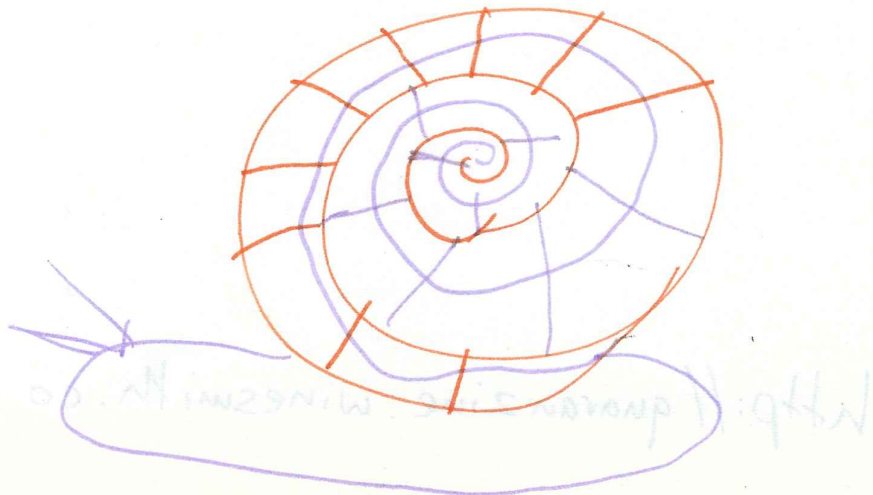

Stay tuned for the next
adventure of
